Debtor = Commonwealth of Puerto Rico
[Department of Education]

Motive of this claims =

I worked in Puerto Rico, Department of Education since September 1990 to July 31, 2014 when Hon. Sil M. Calderon was governing, she ordered by the law an amount of \$100.00 to the employees. In that moments and in the following years, I do not receive this amount in my checks. Denoting that my incomes do not increase according to this law for this reason I know that Department of Education have my debtor, in the amount of \$12700 approximately

I am writing this claims in this moment, because I was not in Puerto Rico, when the pay flat was received. Claimant's problem in P.R.
The nature of this claims, is based in the nature of the income that I do not received when I was working in that time.

Thank you; Carmel M. Yuen Ortiz
